EVENTS & CELEBRATIONS:

GURU PURNIMA: 10.07.25

It is so simple and easy to explain things to children by becoming a child to a child.

Drama by PP educators: Take care of ourselves and our peers!

Our Pre-Primary educators inculcated Classroom Discipline in tiny toddlers by enacting some basic things such as keeping pencil down if not in use, keeping hands to ourselves, not to move around in the classroom, to have patience while serving during brunch and not to make noise with plate and spoon etc. and made them understand the consequences of the same.

On occasion of Guru Purnima kids were introduced with the three important values like respect, responsibility and gratitude. Teachers of grade 1&2 performed a role play and nukkad natak to inculcate values in the students.
